Legion Riders Activity—Kris Schneeberg

The Legion Riders have been quite busy as the summer closes out. We rode to the MN Veteran's Home in Luverne and gave a donation of \$2000 for residents to use for items not covered by the VA. We assisted the Lion's Club at their Fly-In Breakfast on 9/11. We have also parcipatated if other runs while the weather is still good. The final number is in and the Legion Riders of Minnesota contributed \$148,367.70. This is a new record. Thank you to all the hard work by all to give the children of fallen Veterans the opportunity to attend college.

As the summer draws to a close, please keep a close eye out for the motorcycles, especially on those nice days when we will be taking our final opportunity to do what we love, ride.

S.A.L NEWS — S.A.L Squadron #132, Gene Olswold-S.A.L Commander How is it possible we are in the early fall season? The leaves on the trees are starting

to turn and it won't be long till the farmers will be harvesting their crops. Here is hoping the farmers have a good crop this fall.

We had our first squadron meeting in September and those present met our new Membership Director Brian Shropshire and we did have a few memberships to process for 2017. Dues are still \$20.00 this year, so either drop your dues off at the post or mail them in. National sent out a renewal notice the end of September so if you have renewed your dues, please disregard. Their notice only means they have not processed your renewal yet.

Our kiddies Halloween Party is set for October 31st which is a Monday evening from 5-8 p.m. We will be decorating the hall and filling bags on Sunday Oct. 30th at 3:30. This only takes a couple of hours if we have a lot of baggers. We are in need of volunteers from our Legion Family (12 or so) to bag and decorate and 10 or so Halloween night. There is a sign-up sheet at the bar or email Jim Bartels, jim@knuj.net if you can help at either or both times. All Gave Some, Some Gave All.

We are now proud to have our very own website! Please share and visit: http:// www.nuamericanlegion.com

This is a work in progress type of thing and hopefully will be a quick and easy way to keep people informed about what is going on at the Legion. I would love to hear from people about ideas of what they would like to see added or if something should be changed on the website. I would really like to add pictures so if anyone has any please get them to me and I'll see if I can get them added. Feel free to contact me at: andrew.achman@hotmail.com

A special thank you to Adam Towles and Kemske for all the help setting up and running the website and to our sponsors that make this possible.

CLUBROOM HAPPENINGS -

Great news! The hours of the bar are now back to the regular hours of 1:00 pm to 8:00 pm Tuesday-Thursday, and on Friday and Saturday, the hours are 1:00 pm to closing. If there is bar business, the bar will stay open past 8:00 pm, and by law, must close at 1:00 am.

We are continuing the Wednesday community organization meal program. Community organizations provide 4-5 people to clean tables, clean the dishes and equipment used in preparing the meals and the legion provides the food, and in the end, share in the proceeds. Watch the October calendar for which organization is scheduled on Wednesday night, and what meal is being served! This program was started a few years back to open our doors to the community while also assisting local organizations raise funds. Come on down for a fantastic meal and help out the legion and our community's organizations!

Whaaat? GI Party? Yes, the kitchen is in need of cleaning, and all who can attend on October 2 at 10:00 am are invited! If we can get enough helpers, it should be over by noon. We are considering having a twice a year kitchen cleaning event, as it seems the annual GI Party is too long a period of time between cleaning events. The kitchen is a driving force in funding our American Legion operation, so please consider helping out on October 2! I hope to see you there! No, really, I don't want to be the only one there ...

REMINDER: Come on down... Broasted Chicken (1st Sat.), Jerry and Rosie Made Rights (2nd Sat.), and Broasted Pork Chops (5th Sat.) are on the menu! Check the October calendar for all the upcoming week and week-end events and don't miss out!
