The legion and VFW seasons came to an end in August and all our teams experienced successes during the year. The Legion team, under head coach Chris Peters was 15-12, playing in some very competitive tournaments. VFW Gold, under the helm of Mike Munce was 27-9, another great year for that team. And VFW Silver, led by head coach Bob Weier was 8-19, with much improvement demonstrated by the end of the season. The Las Vegas legion team that took 2nd in our Upper Midwest Classic in July, took second in the Legion World Series this year. Congrats to them and head coach Buboltz (former New Ulmite) for that accomplishment. It demonstrates the extremely competitive Legion tournament we host every year with some of the best teams in the state, region and country participating.

Our committee wants to thank all the players, coaches, parents and volunteers for all the time and effort everyone put in again this summer in helping this program continue to be one of the best in the state.

**Legion Riders Activity— Kris Schneeberg**

Greetings,

At the Legion National Convention, the Legion Riders presented their donations to the Legion to the American Legion Legacy Fund. The fund provides college scholarships to the children of Service Members who died while on active duty since 9/11/2001, and now also to those children of Service Members who are 50% disabled. The department of Minnesota donated \$251,000 to the fund. This far exceeds the amount donated by any other state Riders. Be very proud of your Legion Riders for their continued efforts towards this cause. As the riding season quickly comes to an end, continue to watch for motorcycles and teach your children and grandchildren to watch to us as well.
